

WELLNESS RETREAT PACKAGE

Duration 4 hours

For groups of 6-10 people

149 € / person

The Pohjanseita Forest Spa relaxes both body and mind. The gentle heat and calming atmosphere of the smoke sauna, steam room, and traditional wood-heated sauna, combined with the deep relaxation induced by the vibrations of sound bowls, harmonize the body, mind, and soul.

The powerful vibrations and beautiful tones of handcrafted sound bowls will harmonize and lull you into a state of flow. An ethereal foot bath pampers feet weary from daily life.

The experience is completed with local Kuusamo tapas and a glass of Spruce Shoot Sparkling Wine.
