

## HOLLY JOLLY RUKA THREE NIGHT TRIP Itinerary ❄️

### DAY ONE ARRIVAL TO LAPLAND Meals included breakfast & dinner

A Magical Christmas Journey to Lapland Begins! 🧑🏻‍🎅

Our Christmas adventure begins with an early morning flight from Dublin to Kuusamo Airport, Eastern Lapland. But this isn't just any flight—it's one filled with holiday cheer, excited families, giggling children, and even a few Honorary Elves on board to spread extra Christmas joy! 🎄 During the flight, you'll enjoy a light breakfast to start your day.

In just over three hours, we'll touch down south of the Arctic Circle, where Santa's helpers will be waiting to greet us! They'll whisk us off to the enchanting village of Ruka. Keep those eyes peeled along the way—you might just catch a glimpse of Santa's magical reindeer on their practice runs for Christmas Eve! 🧑🏻‍🎅🦌

After a scenic 30-minute drive, we'll arrive at the cozy, snow-dusted village of Ruka, where we'll settle in for the next two nights. Once you've checked into your hotel and picked up your warm thermal clothing from the safari house, it's time to explore Ruka! To ensure you stay warm in the crisp Lapland air, you'll be outfitted with thermal suits, boots, socks, and gloves. We recommend bringing your own hat for added warmth.

The afternoon is yours to explore Ruka with your family. You could hop on the gondola to glide over to the other side of the snowy fell, enjoy tobogganing & snowman building or wander through the charming village and see what Ruka has to offer or maybe you want to relax in the warm, festive comforts of your hotel. Whatever you decide to do, we are sure you will have plenty of fun. 🌨️

As night falls, gather for a delicious buffet dinner, a warm and cozy way to wrap up your first day in Lapland.

Remember, snow boots are provided for everyone to keep you safe and snug on your wintry adventure.

Here, you'll learn the secrets of being an elf, including why kindness is their most precious gift. Take a peek into their wonderfully messy bedrooms—and don't be surprised if they ask for your help with a bit of Christmas decorating. They're running behind, and Santa's counting on them!

Be sure to stop by Mrs. Claus's bakery—she's so excited to say hello! Afterward, enjoy a thrilling snowmobile ride through the wintry woods. If Santa isn't too busy sorting letters in his Post Office, you might just catch him in one of his hidden cabins!

We'll pause for a delicious lunch along the way to keep our spirits high. While outside, keep your eyes peeled—you might spot one of Santa's reindeer resting nearby. Could it be Dancer, Dasher, Prancer, Vixen, Blitzen, Comet, Cupid, Donner... or even Rudolph?
