The Kitka River route is 13 kilometers long, and along the way, we'll stop to plan the best lines for navigating the rapids. The trip ends at the Pohjantähti wilderness camp, where you'll enjoy authentic campfire coffee brewed in a soot-blackened pot and a hearty soup meal. There's also an opportunity to take a dip in the lake at the camp! This adventure is suitable for the whole family.

MIDNIGHT SUN RAFTING AND NIGHT IN THE WILDERNESS

Wednesday 18:00

Welcome to an unforgettable adventure that combines speed, the tranquility of nature, and the magic of the midnight sun! The adventure begins on nature's own roller coaster, taking you through the seven thrilling rapids of the Kitka River. A skilled captain will guide you safely through the roaring waters. The 13-kilometer journey ends at the idyllic Pohjantähti wilderness camp, nestled in the breathtaking beauty of Oulanka National Park.

Upon arrival, you have the freedom to choose your sleeping arrangements: will you sleep in a tent, a hammock, or boldly under the open sky? Together you'll heat up a traditional Finnish wood-fired sauna and a more unique tent sauna. The evening continues with a delicious campfire dinner and sauna session, and the bravest can take a dip in the cool lake.

If you wish, you can still go for a midnight swim, paddle, fish, or take a walk to admire the midnight sun. After a good night's sleep, a wilderness-style breakfast will be served before returning to the Safari House.
